

Salary Survey Results:

Biostatistics and Other Biomedical Statistics Departments and Units

Below is the fall 2003 Salary Survey of Biostatistics and Other Biomedical Statistics Departments and Units that was conducted by the University of Vermont Bioinformatics Facility. All salary figures are based upon a 12-month period. As in the past, previous salary study data have been included for comparative purposes. A total of 46 biostatistics and other biomedical departments and units were sent questionnaires. A total of 30 (65%) responded.

Questions regarding the tabulations should be addressed to Professor Taka Ashikaga, Director, Bioinformatics Facility, University of Vermont, 27 Hills Building, Burlington, Vermont 05405, (802) 656-2526; fax: (802) 656-0632; email: Takamaru.Ashikaga@uvm.edu. Any biostatistical unit that would like to participate in future surveys should contact Professor Ashikaga with a letter of interest. ■
