

Salary Survey Results: Biostatistics and Other Biomedical Statistics Departments and Units

Taka Ashikaga, PhD, Director and Professor, University of Vermont

Below are the results from the Fall 2004 Salary Survey of Biostatistics and other Biomedical Statistics Departments and Units conducted by the University of Vermont Bioinformatics Facility. It should be noted that all salary figures are based on a 12-month period. As in the past, previous salary survey data has been included for comparative purposes. A total of 48 Biostatistics and other Biomedical Departments and units were sent questionnaires. A total of

32 (67%) responded.

Questions regarding the tabulations should be addressed to Professor Taka Ashikaga, Director, Bioinformatics Facility, University of Vermont, 27 Hills Building, Burlington, Vermont 05405, Phone: (802) 656-2526; Fax: (802) 656-0632; Email: Takamaru.Ashikaga@uvm.edu. Any biostatistical unit that would like to participate in the future surveys should contact me with a letter of interest. ■

Biostatistics and Other Biomedical Statistics Departments And Units (12 Months)
