

Salary Survey Results: Biostatistics and Other Biomedical Statistics Departments and Units

Taka Ashikaga, PhD, Director and Professor, University of Vermont

Below are results from the Fall 2005 Salary Survey of Biostatistics and Other Biomedical Statistics Departments and Units conducted by the University of Vermont Bioinformatics Facility. It should be noted that all salary figures are based on a 12-month period. As in the past, previous salary survey data have been included for comparative purposes. Forty-nine biostatistics and other biomedical departments and units were sent questionnaires. Thirty-four (69%) responded.

Questions regarding the tabulations should be addressed to Professor Taka Ashikaga, director, Bioinformatics Facility, University of Vermont, 27 Hills Building, Burlington, VT 05405; Phone: (802) 656-2526; Fax: (802) 656-0632; Takamaru.Ashikaga@uvm.edu. Any biostatistical unit that would like to participate in future surveys should contact Ashikaga with a letter of interest. ■
