STATtrak
http://stattrek.amstat.org
A website for the new professional, this site provides links to and information about career and mentorship sites, upcoming conferences, and awards and competitions. New articles appear monthly.

Careers in Statistics
www.amstat.org/careers
As the largest professional association for statisticians in the world, the ASA serves as the main clearinghouse for information about jobs, careers, salary, and employment for the statistical profession.

Careers in Biostatistics
www.biostatpharma.com
This website is geared toward individuals interested in biostatistics and features career profiles, education and training information, and tools and resources to use if biostatistics is your passion.

*JobWeb
www.amstat.org/jobweb
This is a targeted job database and résumé-posting service that helps you take advantage of valuable career opportunities.

JSM Career Placement Service
www.amstat.org/meetings/jsm
Each year, the Joint Statistical Meetings offers the Career Placement Service, a full-service recruiting facility for employers and job seekers.

Internships
www.amstat.org/education/internships.cfm
Every December, a list of internship opportunities for students is published in the ASA's membership magazine, Amstat News, and posted on STATtrak.

Awards and Scholarships
www.amstat.org/awards
The ASA's awards program recognizes student's contributions to statistics and offers paper competitions, travel awards, grants, and scholarships.

*Young Professionals Group
http://community.amstat.org
As a member of this group within the ASA Community, you can post questions, start discussions, and network with like-minded individuals.
