

Joint ICMI / IASE Study

Statistics Education in School Mathematics:
Challenges for Teaching and Teacher Education

http://www.ugr.es/~icmi/iase_study/

Joint Study Conference, ITESM.

Monterrey, Mexico

June 30-July 4, 2008

The Joint Study Conference will take place at the Instituto Tecnológico y de Estudios Superiores. Monterrey

Participation in the Joint Study Conference is only by invitation, based on a submitted contribution. Invitations will be based on a refereeing process to be organized by the International Program Committee with participation of experts in the different topics of the Study. Accepted papers will be presented in the Joint Study Conference and will appear in the Conference Proceedings that will be published by ICMI and IASE as a CD-ROM and on the Internet. It is expected that participants will represent a variety of backgrounds, expertise and nationalities that will lead to a suitable coverage of the Joint Study theme, its different topics and the related questions. It is hoped that the Conference will attract mathematics and statistics educators, researchers in statistics education, practitioners in the teaching of statistics, and educators, both experienced people and young researchers entering the field. **Proposed papers for contributions to the Joint Study Conference should be submitted by e-mail no later than October 1, 2007, to the IPC Study Chair (Carmen Batanero, batanero@ugr.es).** Papers should be relevant to the Joint Study focus and research questions, as described in the Discussion Document (which is available at the Joint Study Website (http://www.ugr.es/~icmi/iase_study/)). Guidelines for preparing and submitting the paper are also available in the Discussion Document. Please address questions to Carmen Batanero, batanero@ugr.es
