

The Jeanne E. Griffith Mentoring Award Guidelines and Nomination Form

The Jeanne E. Griffith Mentoring Award is intended to encourage mentoring of junior staff in the Federal statistical system. In 2010, the eligibility for the award will be expanded to include a member of the statistical community at the Federal, State, or Local level. It is presented annually to a supervisor, technical director, team coordinator, or other member of the government statistical staff who is nominated by a supervisor and co-workers. The winner is chosen by the Award Selection Committee. **Nominations must be submitted no later than March 26, 2010.**

Significance of the Award: The Jeanne E. Griffith Mentoring Award was established to honor Dr. Griffith who died in August 2001 after working for more than 25 years in the Federal statistical system. Throughout her career, and especially in her latter senior management positions at the National Center for Education Statistics and the National Science Foundation, one of Jeanne's highest priorities was to mentor and encourage younger staff at all levels to learn, to grow, and to recognize and seize career opportunities as they came along.

Sponsors of the Award: The Government Statistics Section of the American Statistical Association manages the award. The Washington Statistical Society, the Social Statistics Section of the American Statistical Association, Interagency Council on Statistical Policy (ICSP), Council of Professional Associations on Federal Statistics, American Educational Research Association (AERA), and National Opinion Research Corporation (NORC) are co-sponsors of the award.

Important Dates: Nominations for 2010 will be accepted beginning in **January 2010**. The last date for submission of nominations is **March 26, 2010**, and the Award Committee will make its determination of the award winner by **May 7, 2010**. The award will consist of a \$1,000 honorarium (to be split if there is more than one awardee), a citation, and a plaque, which will be presented at a ceremony arranged by the co-sponsors in **June 2010**.

Award Criteria: The winning mentor(s) will be selected for his or her efforts in supporting the work and developing the careers of junior staff. Examples of typical mentoring activities include:

- Advising junior staff to help them create career opportunities, networking skills, and contacts for growth and development;
- Counseling junior staff and providing resources to help develop their technical writing, analysis, presentation and organizational skills and knowledge;
- Encouraging junior staff growth and career development through attendance and oral presentations at meetings with higher level officials, staffs of other agencies, professional associations, training courses, and conferences;
- Motivating junior staff and building self confidence through feedback on their efforts, being a listener when that is needed, and creating a caring and supportive environment;
- Serving as a role model for junior staff through professional expertise, information and insights, balancing collegial and personal roles, and including everyone across rank, race, ethnicity, and seniority.

Purpose and Eligibility: The Jeanne E. Griffith Mentoring award is intended to encourage the mentoring of junior staff in the statistical community in the Federal, State, or Local government. It is awarded annually to a supervisor, technical director, team coordinator, or other member of the Federal, State, or Local government statistical staff who is nominated by a supervisor and co-workers for his or her efforts in supporting the work and developing the careers of junior staff.

Guidelines: Nominations should be prepared in the form of a letter or memorandum for the Award Selection Committee. The identifying and contact information at the top and bottom of this cover sheet and guidelines page should be attached.

- The letter or memorandum should summarize the nominee's actions that support and encourage junior staff in the Federal, State, or Local statistical community in developing their careers.
- Nominations may be accompanied by up to six supporting letters. These should be attached to, and submitted with, the nomination.
- The Award Selection Committee finds that descriptions of what nominees actually do are the strongest demonstration of candidate mentoring. Here are some examples: the mentor is a source of advice...counsels with long-term goals in mind...thought I was well qualified even though I had some doubts...encourages staff to seek out positions that will increase their visibility and stretch their professional capabilities. These are more explicit and unique to the mentor than generic statements such as: the mentor is a coach...a teacher.
- Photo copies and email copies of support letters are acceptable.
