

Third International Conference on Establishment Surveys (ICES-III)

Survey Methods for: Businesses, Farms, and Institutions

June 18-21, 2007

Hyatt Regency Montréal – Montréal, Québec, Canada

In sponsorship with the American Statistical Association, the ASA Section on Survey Research Methods, the ASA Section on Government Statistics, the International Association of Survey Statisticians, and the Statistical Society of Canada.

The Third International Conference on Establishment Surveys (ICES-III) will be held in Montréal, Québec, Canada, June 18-21, 2007. ICES-III will explore the current state of the art. ICES-I in 1993 convened more than 400 experts in the area of surveys of businesses, farms and institutions to formally set the stage for documenting the state of the art. ICES-II in 2000 took a forward look at survey methods.

December 1, 2005 is the deadline for proposals for organizing invited paper sessions. The conference will also include:

- Selection of contributed paper proposals,
- Three short courses on Monday, June 18,
- A keynote speaker and reception on Monday evening,
- Poster sessions, and software demonstrations.

Approximately 500 participants are expected. Following the conference, a CD ROM of conference papers will be sent to all participants.

All Conference activities will be held at the Hyatt Regency Montréal. The Hyatt Regency Montréal web site is: <http://montreal.hyatt.com/>. (Hotel reservations will open March 1, 2007).

The invited program, the schedule of sessions (when available), as well as other conference information, can be accessed on the internet at: <http://www.amstat.org/meetings/ices/2007/>.

Montréal combines the smarts of North America with the laid back insouciance of Europe, high tech and high style. The city's architecture too is an artful mix of old and new, with graceful historic structures lovingly preserved and merged with the cool lines of the 21st century. The visual arts flourish here at the Montréal Museum of Fine Arts, the Musée d'art contemporain, and hundreds of top-notch local galleries.
