

TRAVEL AWARD REPORT

We ask that recipients of this award prepare a short summary report (1-2 pages) addressing the points highlighted below to provide us with information to evaluate the Travel Award Program.

- (1) Please list the titles of the sessions you attended at the conference.
- (2) Please list any other conference activities that you found helpful professionally.
- (3) How many professional statisticians would you estimate that you met at the conference?
- (4) How many other graduate students would you estimate that you met at the conference?
- (5) Please comment on how this experience contributed to your graduate education.
- (6) Please comment on how this experience contributed to your interest in survey research.
- (7) Please offer any other feedback that would allow us to judge the usefulness of the travel fellowship program.
