The American Statistical Association (ASA) is bestowing its prestigious distinction of Fellow on 59 members for their professional contributions, leadership, and commitment to the field of statistical science. Fellows will be officially recognized at an awards ceremony Tuesday, July 30, 2019, during the Joint Statistical Meetings (JSM 2019) in Denver.

The 2019 ASA Fellows are:

Daniel W. Apley, Professor of Industrial Engineering and Management Sciences, Northwestern University
Huiman X. Barnhart, Professor of Biostatistics, Duke University
Derek R. Bingham, Assistant Professor, Simon Fraser University
Babette A. Brumback, Professor and Associate Chair, University of Florida
Ann R. Cannon, Watson M. Davis Professor of Mathematics and Statistics, Cornell College
Hua-Hua Chang, Professor, Purdue University
Jinbo Chen, Professor, University of Pennsylvania
Gerda Claeskens, Professor, KU Leuven
Keith N. Crank, Retired, Part-Time Consulting
Catherine M. Crespi, Professor, University of California at Los Angeles
Yingying Fan, Dean’s Associate Professor, University of Southern California
Michael P. Fay, Mathematical Statistician, National Institute of Allergy and Infectious Diseases
Haoda Fu, Senior Research Adviser, Eli Lilly and Company
Mulugeta Gebregziabher, Professor, Medical University of South Carolina
Michele Guindani, Professor, University of California at Irvine
Sebastien J-P. A. Haneuse, Associate Professor, Harvard T.H. Chan School of Public Health
Alexandra L. Hanlon, Practice Professor of Biostatistics, Virginia Tech
Miguel A. Hernan, Professor, Harvard University School of Public Health
Craig A. Hill, Senior Vice President, Survey, Computing, and Statistical Sciences, RTI International
Jianhua Hu, Professor, University of Columbia
Rebecca A. Hubbard, Associate Professor, University of Pennsylvania
Peter B. Imrey, Staff, Cleveland Clinic
Hongkai Ji, Professor, Johns Hopkins Bloomberg School of Public Health
Jiashun Jin, Professor, Carnegie Mellon University
Katerina Kechris, Professor, Colorado School of Public Health
Charles L. Kooperberg, Member and Head, Biostatistics Program, Fred Hutchinson Cancer Research Center
Eric Benjamin Laber, Associate Professor, North Carolina State University
Michael Leo LeBlanc, Member, Fred Hutchinson Cancer Research Center
Bo Li, Professor, University of Illinois at Urbana-Champaign
Jia Li, Professor, Penn State University
Yehua Li, Professor, University of California at Riverside
Jeff D. Maca, Deputy Director, Biostatistics, Bayer Pharmaceuticals
Nandita Mitra, Professor, University of Pennsylvania
Samuel Mueller, Professor, University of Sydney
Lei Nie, Acting Deputy Director, FDA
Davy Paindaveine, Professor of Statistics, Université Libre de Bruxelles
Eun Sug Park, Senior Research Scientist, Texas A&M Transportation Institute
Judea Pearl, Chancellor’s Professor of Computer Science and Statistics, University of California at Los Angeles
Igor Prünster, Professor, Bocconi University
Brian James Reich, Associate Professor, North Carolina State University
Jason A. Roy, Professor of Biostatistics, Rutgers University
Cynthia Rudin, Associate Professor of Computer Science, Duke University
Joseph L. Schafer, Mathematical Statistician, US Census Bureau
Jonathan Scott Schildcrout, Professor, Vanderbilt University
John Scott, Division Director, FDA
J. Michael Shaughnessy, Professor, Portland State University
David A. Stephens, Professor and Chair, McGill University
Tim Brian Swartz, Professor, Simon Fraser University
Sally W. Thurston, Associate Professor, University of Rochester
Alexander Tsodikov, Professor, University of Michigan
Pei Wang, Professor, Icahn School of Medicine at Mount Sinai
William J. Welch, Professor, University of British Columbia
David Christopher Woods, Professor of Statistics, University of Southampton
Min Yang, Professor, University of Illinois at Chicago
Xiangrong Yin, Professor, University of Kentucky
Menggang Yu, Professor, University of Wisconsin-Madison
Lanju Zhang, Director and Research Fellow, AbbVie
Mu Zhu, Professor, University of Waterloo
Hui Zou, Professor, University of Minnesota
