

John J. Bartko Scholarship Application Form

Promoting the Practice and Profession of Statistics®

PLEASE TYPE OR PRINT

Qualifications: To be eligible for this scholarship, the individual must be a USA citizen currently enrolled in an accredited master's degree program in statistics or biostatistics or have recently completed such a program. Currently enrolled students must be in at least their second year in order to be eligible. "Recently completed" means the individual completed her/his degree no sooner than two full calendar years prior to the Conference on Statistical Practice at which the award will be given. (For example, a recipient of the award in 2018 must have completed her/his degree no earlier than January 1, 2016.)
