

What Can ASA Membership Do for You?

EMPLOYMENT

Career Connect is a dedicated career platform designed exclusively for statisticians and data scientists.

24,000 +
Live Jobs

700 +
Active Employers

16,000 +
Full-Time Jobs

1,000 +
Internships/
Fellowships

The ASA's mission is to advance the practice and profession of statistics and data science—including ensuring representation in policy discussions. Through engagement with policymakers, outreach to the media, and the publication of reports and white papers, the ASA amplifies the voice and impact of the statistical community.

CONTINUING EDUCATION

Beyond courses and workshops offered at our meetings, the ASA provides free and discounted online seminars and workshops through Instats—an advanced online platform designed to connect the research community.
