Center for Scientific Review, NIH

Victoriya Volkova

Victoriya Volkova

Scientific Review Officer, Analytics and Statistics for
Population Research panel A – ASPA

Allison Kurti

Scientific Review Officer, Analytics and Statistics for
Population Research panel B – ASPB

Allison Kurti

Moderator: **Lance Waller**, Chair, ASA Committee on
Funded Research

Abstract:

Speakers will introduce the new study sections, Analytics and Statistics for Population Research Panels A&B (ASPA/B), and briefly summarize the Evaluating Panel Quality in Review (ENQUIRE) process at the NIH Center for Scientific Review. This process prompted the creation of ASPA/B. A short presentation by the speakers will be followed by Q&A.
