

# 5 REASONS YOU SHOULD VISIT THE NEW **STAT***tr@k*

## 1

### Awards, Scholarships, and Early-Career Resources

We round up the awards, scholarships, and resources you need so you don't have to.

## 2

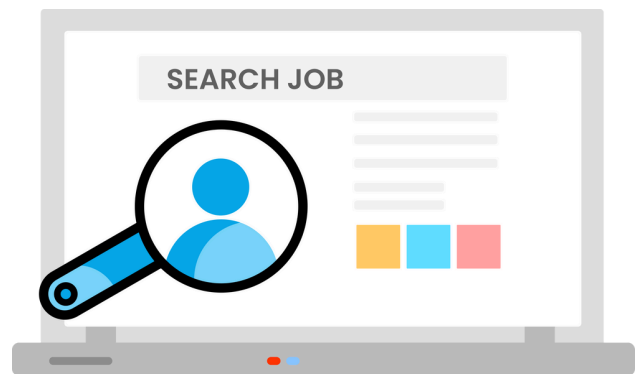

### Stats + Stories Podcast

In this podcast, cohosts John Bailer and Rosemary Pennington tell the statistics behind the stories and the stories behind the statistics. It's a great way to stay current on the ways statisticians are creating a data-informed world.

## 3

### Job and Internship Opportunities

Career Connect offers hundreds of jobs for statisticians and data scientists at all career stages. And every December, we round up dozens of internship opportunities for you.

## 4

### Career Advice and Expert Tips

Experts and those in the know write articles every month overflowing with advice and tips for creating a résumé, interviewing, and leveling up on the job.

## 5

### A Peek Inside the Day of a Statistician

Statisticians and data scientists take you through their day so you can experience and gain insights from their professional lives.
